Minimum Credit Hours required for certificate: 26

NOTES:

- (a) The time element for these courses will vary according to functions and assignments required to cover the projects involving actual conditions of preparation, cooking, and service of a complete menu. The course outlines will be flexible to meet the successful fulfillment of projects.
- (b) Completion of both HOT 111 and HOT 112 can substitute for MFS 101.

Cleaning, preventive maintenance and sanitation are practiced under the supervision of the Instructor and Technical Assistant during and after all laboratory exercises.
