SchenectadyMeds

Brand Name medications delivered to your door for FREE!

Eligible **Employees**, **Retirees** and **Dependents** of Schenectady County, NY have access to SchenectadyMeds, a cost-saving international mail order drug program for certain brand name prescriptions. This voluntary program, administered by CANARX, is offered *in addition* to your current prescription plan.

Advantages of joining the program:

- **\$0 COPAY** for all prescriptions offered through the program.
- Prescriptions shipped directly to your home with no shipping and handling costs — **no out-of-pocket expenses!**
- Easy, convenient refill service.

How does it work?

1. Check to see if a medication is offered—call **1-866-893-6337** or visit the website www.SchenectadyMeds.com.
2. Ask your doctor for a prescription for a 3-month supply, with 3 refills.
Note: Before ordering through CANARX, you or your doctor must attest that you have been taking your prescribed medication for at least 30 days—this is to ensure you have not experienced any complications with the medication.
3. Submit documentation—completed enrollment form, prescription, and a copy of your photo ID.
4. CANARX will call you prior to each refill to ensure that you have a continuous supply of medications.
5. Allow 4 weeks for delivery when ordering new medications.
