* Education Law, section 6305, provides: "the Chief Fiscal Office of each county, as defined in section 2.0 of the local finance law, shall, upon application and submission to him/her of satisfactory evidence issue to any person desiring to enroll in a community college as a non-resident student, a certificate of residence showing that said person is a resident of said county ... Such person shall, upon his/her registration for each college year, file with the college such a certificate of residence issued not more than two months prior thereto, and such certificate of residence shall be valid for a period of one year from the date of issuance." Education Law, section 6301, paragraph 4 defines: "Resident: A person who has resided in the state for a period of at least one year and in the county, city, town, intermediate school district or school district, as the case may be, for a period of at least six months, both immediately preceding the date of such person's registration in a community college or, for the purposes of section 6305 of this chapter, his/her application for a certificate of residence."

**In the event that a person qualifies as above for state residence, but has been a resident of two or more counties in the state during the six month preceding his/her application for a certificate of residence, the charges to the counties of residence shall be allocated among the several counties proportional to the number of months, or fraction thereof, of residence in each county.
