		Mathematics Elective (c)		3-4	ECH	260	Portfolio Seminar		1
				17-18					13-14

Minimum Credit Hours required for degree: 63

NOTES:

- (a) It is imperative that students enroll in ECH 121 and ECH 123 concurrently during their first semester as they are only offered in the fall semester. Failure to complete these will prevent them from progressing in their degree requirements and prevent them from taking their first field course in the spring semester.
- (b) It is recommended that students enroll in ECH 220 their first fall semester as it is only offered in the fall semester.
- (c) Math 126 is recommended. Students who plan to transfer should consult receiving institution.
- (d) Students may choose from the following courses: NTR 161, BIO 111, BIO 112, CHM 113, CHM 121, ENV 100, or PHY 120. Students should consider taking a science (BIO or CHM) with a lab if they are planning to transfer.
- (e) Students may choose between TET 221 Foundations of Education or PSY 221 Educational Psychology. PSY 221 is recommended for those students who are considering transfer to Cazenovia College or the College of St. Rose. All students should consult with their advisors when registering, and if transferring, the program requirements of their transfer institution(s).
- (f) Students should choose their electives carefully and if transferring should review the requirements of their receiving institution(s). A language other than English is highly recommended.

As of January 1, 2003, all students enrolled in ECH 131 Early Childhood Field Instruction and Seminar I and ECH 231 Field Instruction and Seminar I will need to supply the following before entering the field:

- A notarized Criminal Conviction Statement;
- A signed I Will statement to uphold the NAEYC Code of Ethics and SCCC Early Childhood Professional Behaviors;
- Medical evidence of his/her ability to work with children and a negative TB result dated within one year.
