			<u>3-4</u>			Restricted Elective (a)	<u>3-4</u>
			16-19				15-18

Minimum Credit Hours required for degree: **64**

NOTES:

- (a) A Restricted Elective is to be chosen from among non-required courses BUS 212 and MKT 223. Students may select a Management Internship (MGT 250) as one of the Restricted Electives. In their selection of Restricted Electives, students should become familiar with the specific requirements of the colleges to which they plan to apply for transfer.
- (b) Students should become familiar with the particular requirements of the colleges to which they plan to apply for transfer. Course work in calculus is becoming an increasingly frequent requirement. Should science be chosen, students should be aware that some four-year colleges require a two-term sequence of the same science or laboratory science courses.
