Fees are non-refundable with the exception of Flight Laboratory fees where refund options may apply.

***Additional Third-Party Fees May Apply for Aviation Courses for Textbooks, Charts, Examinations & Exams, Ranging from \$217 to \$1,607, depending on the course.

Initial course fees cover 55 hours of training, which is the basic number of hours to complete the course. SUNY Schenectady County Community College is NOT responsible for any Aviation fees incurred over and above the initial course fee.

Fees associated with additional hours a student requires to complete a course is the student's responsibility. Students will be billed directly for these additional services.

The estimated cost is \$250.00 per hour over the initial 55 hours. According to the Federal Aviation Administration's website, "the average number of hours for persons without a hearing impairment completing the private pilot certification requirements is approximately 75 hours."

Additional flight hours may also be purchased by the student.

A student must pass and have a recorded grade for the current lab before they are allowed to matriculate for the subsequent flight lab.
