

Tech Prep/Early Childhood Articulation Agreement

Schenectady County Community College

&

Mohonasen High School

Based upon mutual concern for providing programs in the field of Early Childhood Education consistent with the objectives of building on the Tech Prep experiences of students and eliminating unnecessary duplication of instruction and providing a seamless path from secondary to postsecondary education for students, the relevant departments of Mohonasen High School and Schenectady County Community College subscribe to the following memorandum of understanding:

Following discussion and the exchange of course outlines and course requirements between the faculty of these two institutions, the conclusions reached indicate that students from Mohonasen High School, who successfully complete the course work and steps detailed below, can receive **advanced placement credit** upon matriculation in the College's Early Childhood Certificate or A.A.S. program and their successful completion of six (6) credit hours of instruction at the College.

Courses covered by this agreement, subject to the qualifications identified below, include:

✓ ECH 121 - Introduction to Early Childhood 3 credit hours

- The student must successfully complete the Mohonasen Early Childhood Education I and II sequence with a final grade of 80 or above.
- The course syllabus must indicate that a final examination is required of all students and that a written paper is included as part of the course requirements

ECH 131 - Early Childhood Field Instruction and Seminar I 4 credit hours

- The student must complete the Mohonasen Child Care Internship Program.

PSY 220 - Child Development 3 credit hours

- The student must successfully complete the Mohonasen Child Development I and II sequence with a final grade of 80 or above.
- The course syllabus must indicate that a final examination is required of all students and that a written paper is included as part of the course requirements.

Faculty Advisors

Paul Bryant brought this summary of an articulation agreement that the College has with Mohonasen High School. Primarily, this agreement, signed in November 1999, has an impact on our ECH 121, 131, and PSY 220 classes.

If you are advising students who have graduated from Mohonasen High School and are matriculated into the Early Childhood Program (Certificate or A.A.S.), then you should be aware of the agreement.

If you would like to see the complete articulation agreement, please ask Dawn to show it to you as she has the document in our Departmental files.
